

Tennis: Our private ocean front tennis court is regulation size and professionally surfaced. The court landscaping includes several viewing areas, complete with a mid-court shade garden for relaxing between games. As the island has a variety of "micro-climates" often quite different from that of neighbouring Vancouver, it is our experience that with the luck of a mild winter great tennis days can be enjoyed virtually year-round.

Skiing: Bluewater is 90 minutes from world class skiing at Whistler Mountain, or you can enjoy great local skiing on Cypress, Grouse or Seymour Mountains, a mere 30 minutes away.

Bowen Island Golf Course: The Russ Olson designed 9-hole par 35 course is approx. 3000 yards with multiple tee box options suitable for players of all skill levels. The Golf Course is a 10 minute drive from Bluewater Cottage.

Our Goal: We want your stay to be relaxing "Island Style" so put your watch away and your feet up. To enable you to travel light, ideally you should find the cottage equipped with almost every little household item. Of course if you are visiting us in the winter the face of the island is quite different. You may prefer to curl up in front of the open fire and watch the weather systems pass by. (Real firewood is always on hand.)

Gift Certificates

We have cottage stay Gift Certificates perfect for any personal or corporate occasion. Call us.

Waterfront Get-away Cottage

Bluewater Cottage on Bowen Island

* Breathtaking Location

* Privacy

* Tranquility

* All Amenities

Looking for that perfect spot for a get-away without travelling for days? Here is just the place on beautiful Bowen Island to spend some time doing absolutely nothing or being as adventurous as you wish. Just one hour from downtown Vancouver and yet miles away from the "real world".
